INTRODUCTION

If you are a professional engaged in the low energy building sector (architect, energy consultant, builder, contractor, supplier etc) and you wish to register on the NZEB Open Doors Ireland website, please follow the steps below.

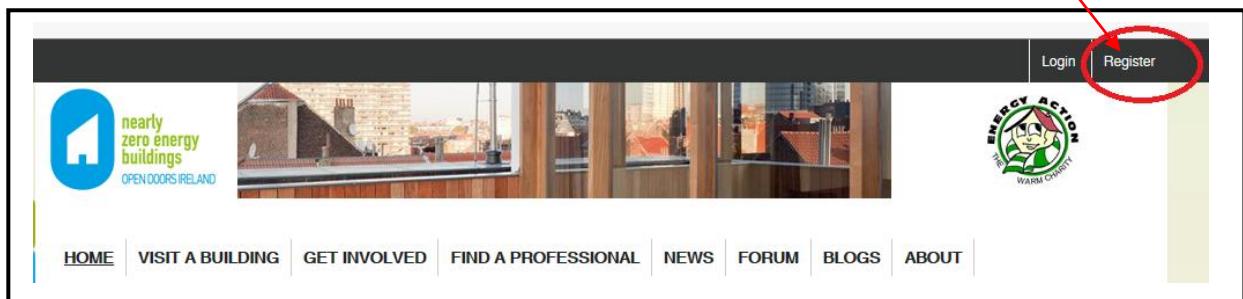

If you wish to submit a building for the Open Doors Ireland event, please follow the steps outlined in a separate document, the Property Owner's NZEB Website User's Manual. (In that case, you would register as both a professional and an Exhibitor).

Once registered a professional, building owners can then opt to select and list you as a professional associated with their building project.

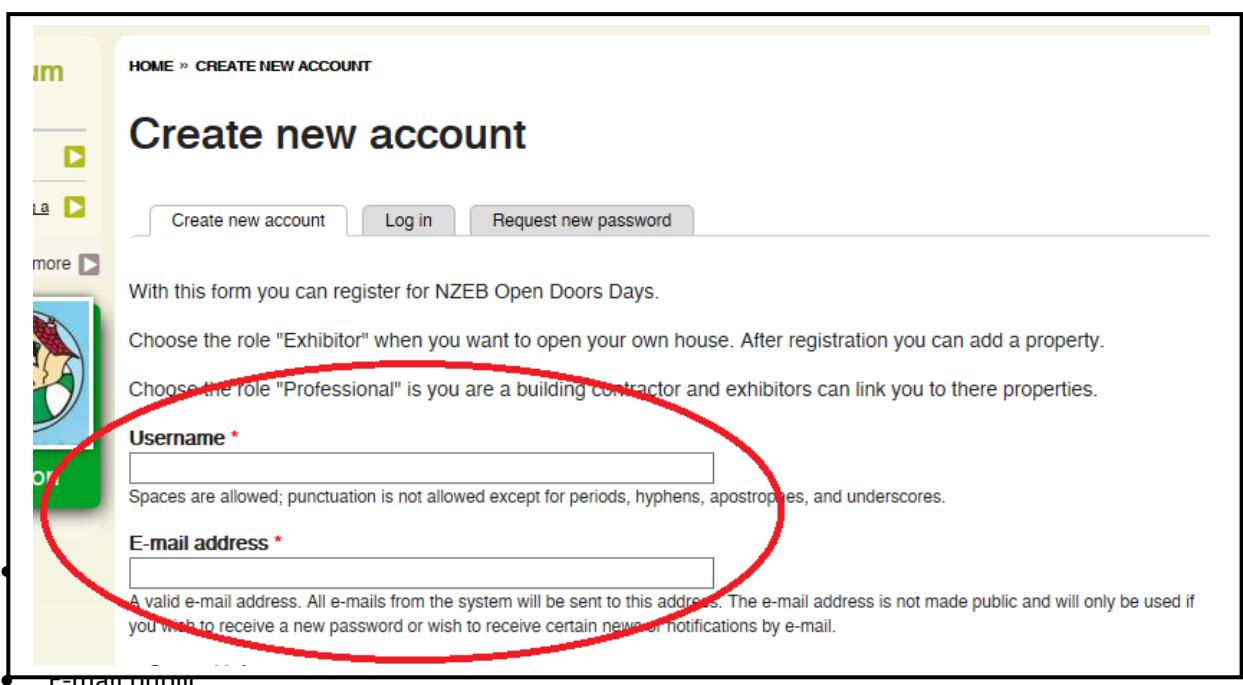

HOW TO CREATE A USER ACCOUNT

To register as a professional, you must create a new account.

- To create a new user account, click on 'Register' in the right-upper corner of the webpage.

- Under 'Create new account'
 - Enter your Username (you can decide this) and email address

With this form you can register for NZEB Open Doors Days.

Choose the role "Exhibitor" when you want to open your own house. After registration you can add a property.

Choose the role "Professional" if you are a building contractor and exhibitors can link you to their properties.
